

NOTHING
BUT

***you-
know-
what***

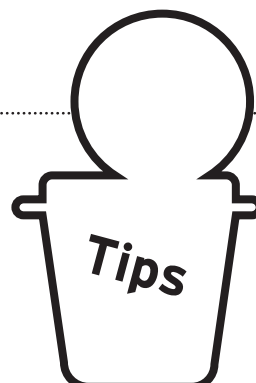

*should go
into the
sewer*

* and toilet paper +
washing water

Cooking fat, left overs, trash and
hazardous waste do not belong
in the sewer.

- > Get a rubbish bin for the bathroom!
- > Eco-labelled detergents
= always a good choice!

Sorting instructions are easily
available on the Internet:
hsy.fi/wastesearch

Signs of blockage

IN THE SEWER

- › The water level in the floor drain or toilet bowl **rises**
- › The sewer has an unpleasant **smell**
- › The pipes make a gurgling **sound**

**Some tips for how to
avoid damage:**
